HOLIDAY 2014

HOLIDAY 2014

mystic collection

For Holiday 2014 Bella Dahl creates a collection based around classic plaids. In the Mystic Collection, an indigo double weave fabric in shades of midnight blue transforms a traditional shirt into an instant favorite.

Shirts in Mystic plaid are worn with skin tight stretch velvet pants.

The classic hoodie is reinvented using a textured washed french terry fabric in hues of dusk green. Raglan sleeve T-shirts are paired with drawstring jogger pants and gravel wash shirts are shown styled with twill pants featuring a zipper cuff detail. In a new silhouette, a thigh skimming indigo rayon jersey dress with a textural wash and off-center accent seam becomes an eye catching party piece.

Wherever you are spending the Holidays this year, Bella Dahl will make sure you spend it dressed comfortably in clothing that feels good to be worn.
